Physiotherapist Needed

Human Performance Professional Corporation is looking for a permanent part-time Physiotherapist. We are a well-established physiotherapy/massage therapy clinic and fitness centre servicing the greater Grand Bay-Westfield and surrounding area. We provide competitive wages, an education allowance, and an enjoyable work atmosphere. We have a proven track record of helping people "Achieve their best". Our customer satisfaction score is above 9.8/10.

This is a great opportunity for an energetic and highly motivated individual with a keen interest in helping people. We have an excellent team and are constantly looking for ways to improve the life styles of our clients, our staff and our community.

Excellent communication and rapport building skill plus knowledge of McKenzie techniques will assist you in a role that includes planning, implementing and supervising rehabilitation and prevention programs.

For more information about **Human Performance PC** and the services that we offer, visit www.humanperformancecentre.ca . Resumes can be forwarded to Earle Burrows via email (earle.burrows@humanperformancecentre.ca) or facsimile (506-738-2824).

Registration with the College of Physiotherapists of New Brunswick is required as well as Personal Liability Insurance.

We look forward to hearing from you!
